El Clan Nostro

Grand Salon

THE NIGHT BELONGS TO THE CLAN

Every great society has its secrets. And every great family has its own inner circle.

This New Year's Eve, El Clan Nostro opens its Grand Salon for a celebration inspired by the Roaring Twenties, where the joy of the Italian Dolce Vita meets the sophistication of grand French soirées.

A gala table, toasts that linger long into the night, music and an atmosphere charged with complicity. Here, gastronomy does more than accompany the evening: it becomes part of a story shared around the table.

Amid elegant flavours and the glow of a golden treasure, every guest discovers the pleasure of celebrating as part of the clan.

French elegance. Italian soul.
